FAST PLAYING BY CHURCHMEN

Gurley Won.

Great Slugging-Mount Vernon Suddenly Weakened.

A fast and snappy game was played at the Mount Pleasant grounds of the Sun-Stahl and Hoffman have proved worthless to the team as far as stickwork is concerned. They have the lowest averages of any players in the Pleasant Methodist and the Fourth

Presbyterian boys are a little heavier with the stick than the Mount Pleasant

clubs were to put in two of the best teams that the league could afford, and it was with great expectations that the it was with great expectations that the large crowd of Sunday school fans turned out to witness the game yesterday. It was a perfect treat to most of them, after seeing the other two games that have been played on Mount Pleasant grounds this season.

Fine individual work was demonstrated in the game by Kennedy, the third baseman for Mount Pleasant, who covered himself with glory, and made a lasting place in the hearts of the fans. He got nine putouts to his credit, caught furious run, and trespassing in the center field player's territory; caught a foul, that was making for the rear of the grandstand, and another of the The track was a sea of mud, but despite the grandstand, made a double play un-assisted, on a fly and touch at third, and assisted in another play with King.

The diamond was a little heavy, and at times interfered with the players, but not enough to amount to anything.

King a Hard Worker.

King, playing first base for Mount King, and tin-canned the balance of the field in the handicap. The sum-

Pleasant, though on the losing side, put up a stiff game, and encouraged, and put life in the other players by his undismayed efforts to win.

Atchinson played a good game for the Fourth Presbyterian, accepting two chances. He has a spiendid wing and throws the ball across the diamond as though it came from a catapult.

Bielaski's hitting was a feature of the game. He laid the ball out in the left garden about fifteen feet over the left fielder's head, covered four sacks, and scored Warman and Atchinson. Bielaski was a heavy hitter last year, and so far is doing better this year. Out of five times at the bat yesterday he made a home run, a three-base hit, two singles, and a fly that was caught in deep left after a hard run.

Well and the handicap. The summaries:

Gurle Vernor Ods; six furlongs. Loricate, 9 to 5, won; thick, 15 to 1, third. Time, 1:15 1-5, to 1,

Kelly and Kennedy both tapped the ball for two sacks. Woodward put up a good game and scored the only run for the Mount Pleasant Methodists, in the seventh inning.

Georgetown Smothers Maryland Athletics

Score Was 25 to 6, Reversing Procedure of Last Year---Seitz Pitched Great Ball and Made Long Expected Homer.

The Score.

GEORGETOWN.

BALTIMORE, April 30.—Georgetown administered a crushing defeat to the Maryland Athletic Club this afternoon at Maryland Oval by a score of 25 to 6.

The local players easily defeated the visitors in last season's annual contest, but today were never within striking distance when Seitz settled down after the first inning.

There was only a small crowd present, although the game was considered the biggest of the local amateur season. The diamond was in excellent condition after the recent rains, but the outfield was so soggy that several of the hits made by the players stuck in the mud and gave the batters only a single base, when, had the ground been lard, they would have bounded on for the biggest of the local amateur sea-son. Burns made the greatest fielding play of the game in the ninth inning. With two out Whitehurst, Maryland's third baseman, hit a long fly to right field, which had the ear marks of a home run. Burns started after the sphere run. Burns started after the sphere with the crack of the bat, and just as it was about to go over the bank of the quarter-mile track which surrounds the oval he leaped into the air grabbed the ball, and though he turned a complete somersault, held on to the sphere, thereby ending one of the greatest batting games of the Georgetown team.

Chased Bullock and Goodrich.

None of the club's pitchers was able to fool the collegians. Bullock, who with the crack of the bat, and just as it was about to go over the bank of the quarter-mile track which surrounds the oval he leaped into the air, grabbed the ball, and though he turned a complete somersault, held on to the sphere, thereby ending one of the greatest batting games of the Georgetown team.

PETER MAHER KNOCKED DOWNED MOUNT VERNON

PHILADELPHIA, April 30.—Peter Maher knocked out Jim Jeffords in the second round of what was to have been a six-round bout, tonight, at the National Athletic Club. Gurley Memorial downed the Mount Vernon team yesterday afternoon on the White Lot grounds by 11 to 6, after the latter team had the game apparently safely under its belt. At the end of the

safely under its belt. At the end of the fifth inning the score stood 6 to 3 in favor of Mount Vernon, when the fielders went to pieces, and Gurley scored seven runs.

Johnson, center fielder for Mount Vernon, sprained a ligament in his left leg while running for a ball, and had to be carried off the field. Ragged playing on both sides characterized the game, but the closeness of the score kept it interesting. Umpire Betts won the favor of the crowd by his just decisions, and by the way he kept the game from dragging.
